English

This week was book week. The whole school was given the task to learn a poem to recite. Our poem was 'Watching a Bee' by Wes McGee. The children were in split into 6 different groups for the 6 verses to the poem. The children learnt their verse along with actions. They performed the poem to the rest of the school.

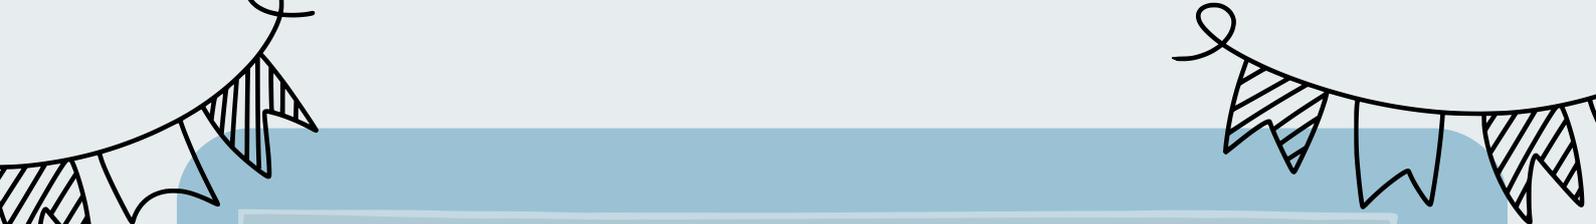

Well done Year Two!

PE

On Monday we had our first football session. This session was focused on dribbling. The children had to first dribble round a designated area, following this they had to dribble through coned gates and be in control of their ball. At the end of the sessions we played a game where a couple of children were sharks whilst the others were fish. The sharks had to try a kick out the other children's football whilst they were dribbling
