

# Year 2

## Newsletter

### Term 1 Week 2

#### English

This week we started our SPAG lessons, this week we were recapping nouns. We then went on a noun hunt around the school, noting down who they saw, where they went and the things they saw. After that we started our first English text which is 'The Day the Crayons Quit' by Drew Daywalt. First, we looked at the front cover and predicted why the crayons might've quit. Then after we read the text, we wrote what we thought our favourite crayon would've done once they quit drawing!

#### Maths

In Maths this week we have been continuing our learning of Place Value. We have been learning about one more than any given number to 100. We had to read the questions carefully to ensure an understanding of the questions. For example, \_\_ is one more than 13, which is one more than \_\_. Following on from this, we were recapping our Knowledge of number lines and working out where numbers would go between 0-100. We then investigated problems such as 'If my start number is 62 and my end number is 72, what would be the 4th number?'

#### PE

We started our PE learning this week. Our lessons will be on Mondays and Thursdays. Please ensure that any earrings are out on these days or that your child can remove them themselves. On Mondays we will be doing Dance this term and Thursdays will be ball skills. Due to the 11+ taking part in the hall this week our first ball skills sessions will be next week.

## Homework

- Please read daily and record it in your Reading Record Book.
- Please start to learn the two times tables (from  $0 \times 2$  to  $12 \times 2$ ). The children will not be tested just yet, but it is important to start learning the two times tables (in any order).
- Please learn the spellings (Uploaded to Seesaw) to be tested next Thursday.

## Dates

Individual Photos - Friday 27th September  
World Mental Health Day - 10th October (Wear Yellow)  
Woodland Learning - Thursday 24th October
