

Reception Easter Gardens

Dear Parents,

We have been learning about the Easter story, predominantly through discussion, storytelling and role play.

We would like to ask the children in Reception to create Easter Gardens at home to bring into school to reflect their understanding of the Easter story (which we have been studying this week). Each child will have the opportunity to show and talk about what they have made in class. The Easter Gardens will then be displayed in school until the end of term.

The Easter Gardens could be made on an 'upturned' tin lid or a foil plate or in a basket and should express the children's understanding of the Easter story. We have looked at the story in detail this week so hopefully the children will have lots of ideas and can tell you all about the Easter Story! I have included some photos below for some inspiration!

The Easter Gardens will be returned when we break up for the Easter holidays.

Please can the Easter Gardens be brought into school on **Monday 31st March**.

Yours Sincerely,

Miss Dale
