Dear Parents

Individual Photographs

You will have the opportunity for your child to be photographed on **Friday, 27th September.**

Every child will automatically have an individual photograph taken, and with their school age siblings, during the morning.

However, if you would like a group photograph taken with a pre-school sibling please complete the form below and return it to school so we have some idea of the number of parents who will be on the premises. On the morning, we ask that those parents with **pre-school** children should arrive at school at **8.30am** so that their photographs can be taken first. Please access the school by the main playground gate. If the weather is dry, we plan that parents will wait in the playground until it is their turn for the photograph when they will come in to the hall.

Yours sincerely

Tina Holditch
