

Year 4 Newsletter

Week beginning: Monday 10th February, 2025

English

This week, Year Four finished their books based on a class text. They created a front cover and wrote a blurb. I'm very proud of their stories and they should have brought them home to share with you on Wednesday. Enjoy!

Maths

We have consolidated our multiplication and division skills using partitioning method, as well as, the formal written method. Please continue to help your child learn the times tables facts. Quick recall of these facts is absolutely crucial for the times tables test that they will be expected to complete at the end of Year 4. This will also aid them in solving multiplication and division problems.

DT

This week we painted our Anglo-Saxon brooches. The children have done a fantastic job with these. They truly look amazing and lots of them were very proud of their creations. We spent some time on Wednesday evaluating our Anglo-Saxon inspired brooches.

Library time

The children had library time this week.

RE

In the RE lesson, children have been researching charitable organisations that are linked to Jesus' messages, in the four Gospels. They tried to work out the core Christian values that some of these organisations link to.

Creative use of hoops –
NOT Mrs Pattanshetti's idea!

Have a wonderful break and we look forward to seeing you (and hopefully some sunshine) in Term Four!

Miss Courtney, Mrs Pattanshetti, Mrs Burling and Mrs Millar 😊
