

Year 4 Newsletter

Week beginning: Monday 14th October, 2024

Dear Parents and Carers,

English

This week, the children have completed writing the narrative story for 'Catch it'. They were encouraged to write in small chunks, organising their work in paragraphs every time the scene changed, with a continued focus on interesting sentence openers, variety of conjunctions, good vocabulary, whilst using all the punctuation marks they have learnt so far! They were expected to use neat joined-up cursive writing. Needless to say, they all worked hard and took pride in producing some impressive pieces of writing! The best part was, they all enjoyed the task! 😊

Maths

In Maths, the children have been comparing and ordering numbers up to 10,000. Here are some examples of the problems they have been solving.

Here are some pictures from our Woodland Learning session.

Fortunately, the weather was just **beautiful** for the children to enjoy their time in the woods! 😊

Unfortunately, they invented a fun-filled, absolutely amazing game!

We were torn between allowing the children to enjoy their wonderful game and facing some very unhappy parents!

We chose to not disappoint the children, as you may have discovered when they came home with their belongings.

Our sincere apologies to the parents for the dripping, muddy, (possibly) torn clothes.
