Total number of pupils on roll	213
Total number of pupils eligible for SPG	180
Total amount of SPG received	£17,810.00
Total SPG expenditure/ commitment to date	£17,810.00
SPG Remaining	£0

At Leybourne Ss Peter and Paul CE Primary Academy

We ensure that teaching and learning opportunities meet the needs of all pupils. We ensure that appropriate provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed. We believe that all pupils should benefit from the funding, regardless of their level of sporting ability. The most effective way to ensure a lasting and positive impact of the funding on PE provision throughout the school is to develop teachers' skill and confidence in the teaching of the subject.

Summary of SPG spending 2021/22

The Sports Premium Funding this year was used to specifically support the stated aim of "encouraging the development of healthy, active lifestyles". Much attention was paid to the promotion of active break and lunch times, through the provision of enhanced physical resources, play spaces and positive role models. We are also developing the outdoor environment to provide further additional play equipment and safety matting for pupils to use during break and lunch times.

Summary of spending:	
Development of additional playground area	£8504.00
Additional resources to promote active playtimes and lunchtimes	£ 268.40
Additional resources to support Woodland Learning	£ 150.00
Membership of PASS Scheme (Aylesford Specialist Sports College)	£ 250.00
Fencing to secure the Woodland Learning area to ensure safe access for all	£8637.60
TOTAL expenditure	£17810.00

Outcomes (reviewed in July 2022):

Despite delays with supplier availability and the provision of materials, the fencing work to secure the Woodland Learning area and the preliminary installation of the Chute playground equipment has commenced. Playtimes and lunchtimes have proved to be successful in terms of children accessing play equipment and activities,

and play leaders have worked with younger children to teach them playground games and encourage physical activity. Woodland Learning continues to inspire and engage pupils, with notably high levels of physical activity seen in all classes when pupils grasp the opportunity to devise their own games and activities in the woods.

Swimming information regarding Year 6 cohort 2021-2022

Able to confidently swim 25 metres	94%
Able to swim confidently using a range of strokes	94%
Able to safely and confidently self rescue	55%

Year 6 pupils have swimming lessons in Terms 1-4.
