

Year 3 Newsletter- 23rd May 2025

Dear Parents,

For such a short term, we have crammed an awful lot in. The children thoroughly enjoyed their trip over to the castle on Tuesday morning and we all had a brilliant time. Mrs Albert was very impressed with the children's interest and the level of questions that were being asked, so impressed she wrote about them on Facebook. I was super proud of them and that someone took the time to comment on great behavior.

In maths this week, the children were looking at how to make different amounts of money using a variety of coins and converting between pounds and pence.

In English, the children read the story 'Escape from Pompeii,' which links in beautifully with their volcano topic in Geography. The children were so interested in this, we watched a virtual timeline of the eruption in 79AD. I touched upon this topic, as I know that later next year, Mrs Siverland-Bishop will continue with it when they learn about Italy.

I can't believe that we only have one term left together, although it is a longer one. There are lots of fantastic events planned and the children will be very busy! Over the holiday, I would appreciate it if the children still read, practise their tables and re-cap their homophones. More importantly, I would like them to chill, have fun and do what children do best...play. Have fun!

Thanks,
Year 3 Teaching Team
