At Leybourne Ss Peter and Paul CE Primary School

We ensure that teaching and learning opportunities meet the needs of all pupils. We ensure that appropriate provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed. We believe that all pupils should benefit from the funding, regardless of their level of sporting ability. The most effective way to ensure a lasting and positive impact of the funding on PE provision throughout the school is to develop teachers' skill and confidence in the teaching of the subject.

## **Summary of Sports Premium Grant spending 2020-2021**

The Sports Premium Funding this year was used to specifically support the stated aim of "encouraging the development of healthy, active lifestyles". Much attention was paid to the promotion of active before school, break and lunch times, through the provision of enhanced physical resources, play spaces and positive role models. We developed the outdoor environment to provide an additional play surface for pupils to use during break and lunch times, and offered new play equipment to encourage pupils to be active during these periods. In addition, we continued to support the development of the Physical Education curriculum, primarily through the improved provision of opportunities for outdoor and adventurous activity challenges, both individually and within a team.

## **Summary of Spending**

Development of additional playground area	£31435.00
Additional resources to promote active playtimes	£ 200.00
Additional resources to promote active lunchtimes	£ 150.00
Additional resources to promote activities at Breakfast Club	£ 100.00
Additional resources to support Woodland Learning	£ 150.00
<b>TOTAL</b>	<b>£32035.00</b>

## **TOTAL Outcomes**

The new play areas and playground equipment have greatly increased pupils' physical activity and enjoyment at lunch and break times. Woodland Learning continues to engage pupils of all abilities and makes a significant contribution to their physical fitness and emotional wellbeing.
