Term 1 Week 3

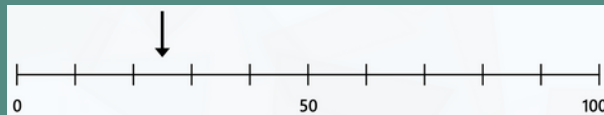

English

This week in SPAG, we were adding in missing punctuation to sentences. We recapped when we need a capital letter and what punctuation needs to go at the end of the sentence, whether it be a full stop, question mark or full stop. We have been loving our learning about the Crayons this week! We first thought about what each crayon would say. First, we acted some out and your children were brilliant actors! Then the children tried to persuade me to change the colour of our classroom by writing me a persuasive letter. After that we read out statements from the book and had to work out which crayon said what.

Maths

In Math this week we have been continuing our learning of Place Value. We have been learning to estimate numbers using a number line, compare objects and amounts. We used the comparing signs ($<$, $>$ and $=$) and then the children wrote out the statements such as: 34 is less than 78 and 78 is greater than 34.

Science

In Science this week we were learning about human and animal offspring. We looked at the meaning of offspring and recap and learnt some animal offspring names, such as piglets, lambs, Kids, Kits and infants. I wonder if your children could find out an animal offspring that your child doesn't currently know. They can then share this with the rest of the class next week.

History

This week we learnt how The Great Fire of London started in a bakery on Pudding Lane. We looked at all the events from when it started on Sunday 2nd September 1666 and lasted until it ended on Thursday 6th September 1666. The children then placed these events in order and labelled their timelines.

Homework

- Please read daily and record it in your Reading Record Book.
- Please start to learn the two times tables (from 0×2 to 12×2). The children will not be tested just yet, but it is important to start learning the two times tables (in any order).
- Please learn the spellings (Uploaded to Seesaw) to be tested next Thursday.

Dates

Individual Photos - Friday 29th September
Woodland Learning - Thursday 5th October
Last Day of Term - Friday 20th October
