

# Year 3 Newsletter- 21<sup>st</sup> March 2025

Dear Parents,

What an absolutely fantastic day we all had on Wednesday at Kent Life. The children were amazing! They enjoyed all of the activities, had fun with their peers and the adults and were generally a joy to spend the day with in the sunshine. The day involved a lot of walking and a variety of workshops that I am sure the children have filled you in on. This letter will mainly be full of the pictures from the day.

In maths this week, the children continued to develop their understanding of fractions and were using scales and number lines to understand them in more detail

In English this week, the children focused on SPaG activities to deepen their understanding of adverbs and prepositions.

I look forward to updating you on your child's progress when we meet next week.

Thanks,

**The Year 3 Teaching Team**
