

Year 3 Newsletter

Week beginning: Tuesday 7th May 2024

Dear Parents and Carers,

DI

On the first day of the week, Mrs Patterson had planned and organised a DT session of kite-making, along with the help of Mrs Glennon. The children were given resources to create a kite by following a plan. They were given a sheet of instructions and were guided through the process.

All the children managed to make a kite that they were proud of! These kites will be tested for their purpose on a windy day. The children will then complete an evaluation form to express their opinions on the design and the performance of their kites. It's wonderful to see so many children having a go at making a kite at home and sharing their ideas with the class!

English

We linked our English lesson to our DT project this week. We worked in pairs to discuss, plan and write a shape poem based on kites! Here are some examples.

Maths

In maths this week, we have continued to develop our problem-solving skills based on money.

Find change

1 How much change would you get from a £10 note?

(i)  £ and p

(ii)  £ and p

2 Annie buys these crayons.

She pays with this money.

She gets this change.

Has Annie been given the correct amount of change?

Explain your answer.

RE

In our RE lesson, we answered the question, 'What might the description of Pentecost in Acts 2 mean?' We discussed the emotions felt by the disciples at various points in the story of Pentecost and created a graph based on that.

PE

We have continued to develop our batting, bowling and fielding skills in our cricket sessions during our PE lessons. The children are becoming quite accomplished cricketers!

Reminder: Please ensure that your child is using sunblock and a summer hat for outdoor activities, including PE lessons.

Spellings

Here are this week's spellings.

Have an enjoyable weekend!

Mrs Pattanshetti,
Mrs Patterson and
Mrs Glennon 😊

invention	injection	action
hesitation	completion	expression
discussion	confession	permission
admission	expansion	extension
comprehension	tension	musician
electrician	magician	politician
