15th December 2022

Dear Parents

Year 5 and Year 6 Wise Up Team Building – Wednesday 4th January 2023

Outdoor learning plays an important part of the school curriculum and as such, we have booked the company WiseUp Team Building to come into the school to run a fun and educational enrichment day for our Year 5 and Year 6 children on Wednesday 4th January 2023 (the first day of term 3). This will not affect the normal timings of the school day and the children should be in for registration at 8.50am and finished by 3.15pm as usual.

The company will set up a number of different team building/bushcraft tasks, all of which are designed to encourage the children to work together as part of a cohesive unit alongside individual problem solving. The activities are all deemed low risk and the event will be run by qualified Outdoor Learning professionals.

We will be spending the day outside as much as possible and we ask that your child is clothed appropriately for doing activities where they may get dirty and for the weather conditions. Please check the weather forecast and ensure your child has warm clothing and waterproofs if wet and windy weather is predicted, as well as additional layers they could add on or change into. Please ensure your child has a full water bottle. Sturdy footwear such as trainers or boots must be worn; please no sandals, flip flops or clogs.

If you would like to find out more about WiseUp Team Building, or to view photos and videos of the type of activities they will be running, please visit www.wiseup-teambuilding.co.uk.
