Dear Parents

What an amazing time we had on our trip to Marchants Hill PGL. I hope your children have told you all about it. They genuinely were an absolute pleasure to take away - they were full of enthusiasm for every activity, perfectly well-behaved and, best of all, they slept brilliantly! I hope these pictures give you a flavour of our trip.

*As you can see, it was certainly an action-packed weekend. Since we've been back in school, we have all been a little weary. Luckily, it has been a fairly easy week, with two PE sessions and Woodland Learning. The children did write really detailed recounts about their trip too. I also have two 'teachers of the week' to tell you about, but I will save that for next week.*

*I look forward to seeing everyone at the Midsummer Music event on Tuesday evening next week.*

*Best wishes,*

*Louise Grinstead*
