Term 2, Week 1

A snapshot of our week

Bright spark: Joseph
Stars: Cody, Jack, Evie

Welcome back!

Welcome back to a new term! We hope you all had a restful half term holiday. Term 2 is a busy one – both with regards to the curriculum and of course – the Christmas Nativity.

Wherever possible, we will try to do PE outside, so please ensure your son/daughter has sturdy trainers as well as joggers and a sweatshirt in school.

Italian & Latin:

In Italian, the children learnt about Michelangelo and the Sistine Chapel painting.

Science:

We started our new topic, 'Animals including Humans'. In the first lesson we learnt about the human circulatory system – including veins, arteries, the blood and the functions of the heart.

Maths:

In maths, we have been learning about BODMAS – order of operation. This concept was new to many of the children, but they all did so well. We are very proud of them all. We have also been working on our arithmetic skills.

English:

We continued reading our class book, Letters from the Lighthouse. The children did not want me to stop reading, as we are finding out some of the really interesting things now. The children wrote a predication and a diary entry.

RE:

This term, we are learning about Incarnation. Our focus question for the term is, *Was Jesus the Messiah?*. We started off by recapping what a Messiah is. We then recapped the main events of the Old Testament, in order to understand the sequence of events better. We looked at some bible verses and discussed whether there were any prophecies about the coming of the Messiah.

PE:

We practised our hockey skills – passing, shooting and controlling the ball with accuracy.

Woodland learning dates:

Thursday 14th November

Wednesday 4th December

Homework:

Please remind your son/daughter to practise their spellings. This week, the children have been given a spelling sheet to focus on, as well as a science task.
