

Year 6 news

Term 2, Week 7

A snapshot of our week

End of term

The last two terms have certainly flown by; I can't believe it's nearly Christmas already! The children have worked with great determination since September and they certainly deserve a good rest before the hard work starts again in January. I do hope that you all manage to have a relaxing Christmas.

The children worked especially hard to learn all the songs for the Nativity and enjoyed performing for you all; they did us proud. Please see pictures below.
