

# Year 6 news

Term 5, Week 5

Bright Spark

Stars of the week

*As you can probably imagine, a fair amount of time this week has been taken up practising the act of worship. We hope that you enjoyed it: the children have worked very hard to learn their lines and the words to the songs. We are very proud of them.*

*We are also very proud of the cricket team, who not only came 3<sup>rd</sup> in their competition on Tuesday, but also showed great sportsmanship. Well done all! Thank you to Mrs Ward and Mrs Vennart, who looked after them for the day. Thank you also to the parents who stayed to support the team.*

## Geography:

*In geography, the children found out about river pollution and the effect it has on the environment. They had to consider what river pollution is and what causes it. They learnt that river pollution comes from agriculture, industry, people and oil. In addition, the children found out where the most polluted rivers are in the world.*

## English:

*The children have been writing a descriptive narrative, based on a short film. They have worked hard to include a wide variety of Y6 'writing ingredients' such as fronted adverbials, parenthesis, personification, high level punctuation and rhetorical questions. We have been so impressed with their writing this week!*

## Woodland Learning:

*We had a lovely Woodland Learning session on Tuesday. Some children challenged themselves to make a boat that would float in the river, some opened a 'nail bar' (!), whilst others played in the mud kitchen.*

## Dates for your diary:

Friday 27<sup>th</sup> May – Woodland Learning  
 Monday 6<sup>th</sup> June – Inset day  
 Friday 10<sup>th</sup> – Monday 13<sup>th</sup> June – PGL trip  
 Tuesday 14<sup>th</sup> June – day off after PGL  
 Thursday 16<sup>th</sup> June – Church School's Celebration day in Rochester  
 Friday 24<sup>th</sup> June – KS2 Sports day
