

Year 6 news

Term 1, Week 8

Maths:

This week, the children completed an arithmetic test and a reasoning test. Later in the week, we went through the arithmetic test together, in order to talk about strategies and common mistakes.

RE:

In RE, the children worked with great determination to compare the religious views of how the world began with the scientific views - they looked for evidence and common themes. This was not an easy lesson, but the children worked well.

PE kit and equipment:

The PE kit will be sent home today, to be washed over half term. Please can you ensure your son/daughter has a full PE kit?

The children's pencil cases will also be sent home - can you please check that your son/daughter has the following please?

Handwriting pen (not a biro)

Pencil

Rubber

Small selection of colouring pencils

Glue stick

Thank you.

Teacher of the Week:

We will start the 'teacher of the week' presentations after half term. The children presenting in term 2 are:

31st Oct - Evie

7th Nov - Buddy

14th Nov - Harrison

21st Nov - Euan

28th Nov - Matthew D-M

5th Dec - Hayden

12th Dec - Seren

A snapshot of our week

English:

This week, we continued our class book, *Letters from the Lighthouse*. The children wrote a diary entry based on some of the events that happened to the main character, Olive, on one of the days. In the book, Olive stood up for what she thought was right.

The children have also completed a reading test and a SPaG test this week.

Woodland Learning:

We had a lovely Woodland Learning session on Wednesday. Some of the children made a fire; when the flames had died down a bit, we cooked S'mores - they were delicious!
