We have been practising the production for most of the week! The children are doing well, but there are a lot of lines to learn. There are also several songs to remember the words to. I have asked the children to take their words home every day to practise - it is important that they bring them back the following day though.

Mrs Miller spent Monday afternoon in year 6 talking about transitioning to secondary school. She is using the book Grange-Enders, which is about a group of new year seven students, who have just started their secondary education. The book covers scenarios the children may find themselves in; they then discuss what they would/could do if they found themselves in the same situation. These sessions involve a lot of discussions and are intended to help the children understand more about starting a new, bigger school.

On Tuesday, the children made a clay pencil pot or a bowl, whilst at Woodland Learning. As usual, the children also played games, explored and climbed trees - it was a very busy session!

On Thursday, Adrian from Kent Cricket delivered another fast-paced cricket session, which the children thoroughly enjoyed.

Thank you to all of you who attended the Midsummer Music event - it was a great success! Although I could not be there myself, Mrs Ward informed me that the children sang beautifully - we are very proud of them all! George Cole also played the piano with confidence - well done to him.
