

Year 6 news

Term 2, Week 6

A snapshot of our week

English:

The children wrote the biography about Anne Frank this week. They all worked so hard and produced some great writing, whilst considering the use of higher quality vocabulary and punctuation.

Geography:

In geography, the children worked on identifying countries in Europe. They worked in pairs and used atlases.

Maths:

In maths, the children have been working with determination to improve their arithmetic skills.

Latin:

In Latin, the children recapped known vocabulary and used their knowledge and understanding to complete a sheet with missing words, before translating them.

Woodland Learning

WW2 day:

The children completed a variety of activities and tasks. They learnt about Morse code and used that to translate sentences given. We made 'drop scones' and enjoyed them with butter and jam. The children also used their sketching skills to draw a picture of one of the famous people associated with WW2. See next page for further Pictures.

Year 5 and 6 Nativity

We are really looking forward to sharing our nativity with you at 2pm in church on Tuesday. At the end of the nativity, the children will all walk back to school together. You are welcome to walk over to the playground and collect your children and their siblings, even if it is a little earlier than the usual home time. However, even if children usually walk home alone, we will not be able to let them leave unaccompanied before 3:15pm.

Christmas Party / DVD afternoon

On the last day of term, Thursday 16th December, the children will have their Christmas party / DVD afternoon. They are welcome to come to school wearing non-uniform that day. Usually, we ask children to bring items of food that can be shared with the whole class, but that isn't a good idea in the current Covid climate, so please just send an item or two in for your child to snack on in the afternoon, such as a packet of crisps and a small cake. It should be a lovely way to end the term.
