

Mathematics

Multiplication, Division and Fractions

We are first going to look at Multiplication and Division this term. First we are going to be recapping counting in 2s, 5s and 10s. This will then be followed by making equal groups through grouping and sharing. We will be making arrays knowing what are rows and columns. We will then be identifying a half and a quarter of a shape and then of quantities.

Shape, Space and Measure:

This term we will be focussing on turns and directions, making half a turn and a quarter of a turn. This will then be followed by learning about money; identifying coins and notes and starting to add coins together.

RE

In RE this term our big question will be 'What are the stories that are told in other faith traditions?' We will be looking at the Jewish, Muslim and Hindu faiths and learning stories such as 'David and Goliath', 'The Tiny Ants' and 'Rama and Sita'.

PSHE

This term we will be focussing on our new topic 'Relationships' where we will be looking at understanding friendships, family and other relationships, along with conflict resolution and communication skills.

Year 1 Term Five 2022 Journeys Plants

Science

We will be continuing our learning all about Plants this term. First, we are going to be looking at fruit and vegetable plants, naming, sorting and comparing some common fruit and vegetable plants. Then we will be learning to name and compare some common plants and trees.

Geography

We are going to be learning all about The United Kingdom. We are going to first look at the four countries of the UK, capital cities and surrounding seas. We are going to be looking at the differences between town and country locations. We are going to be using a range of maps to locate places and landmarks.

English

In English this term we are going to be basing our learning of 'Journeys' around two stories in which the characters both go on long journeys. The first story is one of my favourites by Julia Donaldson which is 'The Snail and the Whale'. The second story is Emily Gravett's 'Meerkat Mail'.

In SPAG this term we are learning to punctuate sentences appropriately. We will then be looking at how we can join sentences using the word 'and'. Finally we will be writing question sentences.

PE

In PE this term we will be focussing on running and jumping on our Monday sessions.

On our Thursday sessions we will be looking at our Brilliant Ball Skills. We will be learning to hold and use tennis rackets along with cricket bats. First we will be using bean bags to help us learn how to control it. Then we will be moving on to smaller balls.

Italian

We will be looking at the following next term:

- Colours
- Shapes
- Landmarks of Italy
- Numbers
- Greetings
