1. set a full Trust wide policy,
2. set a 'policy principles' document (a framework within which Headteachers develop a full and appropriately customised policy),
3. or delegate to Headteachers or LGBs the power to develop their own policy.

“Those who trust in the Lord will find new strength. They will soar high on wings like eagles.” Isaiah 40:31

At Leybourne Ss Peter and Paul CEP Academy, we aim to nurture the spark of God within each member of our community. We provide our pupils with high quality learning opportunities, that allow us all to achieve our full potential in all we do, and to grow into well-rounded citizens of the world. Through embodying our Core Christian Values of Love, Trust, Compassion and Respect in everything we do, we aim to build a safe and joyful community with God.

As public bodies, academies must comply with the [public sector equality duty](#) in the Equality Act 2010 and the Equality Act 2010 (Specific Duties) Regulations 2011.

Each of our individual schools within Tenax Schools Trust will publish:

- details of how the school complies with the [public sector equality duty](#) – updated annually
- school's equality objectives - updated at least once every 4 years
- and details of:
 - eliminating discrimination
 - improving equality of opportunity for people with protected characteristics
 - consulting and involving those affected by inequality in the decisions your school or college takes to promote equality and eliminate discrimination (affected people could include parents, pupils, staff and members of the local community)

State-funded schools are required, in discharging their functions, to have due regard to the need to:

- eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under the Act; and
- advance equality of opportunity and foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

Relevant protected characteristics are age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

Whilst this does not mean that schools are required to teach about the Equality Act or the protected characteristics, many choose to do so in teaching their pupils about respect for difference.

THE TENAX SCHOOLS TRUST EQUALITY SCHEME

This document sets out how the Tenax Schools Trust ensures the Trust and member schools meet the Equality Duty as established in the 2010 Single Equality Act.

The scheme has been developed with the Trust's Christian values and principles as its basis. For Trust schools with a religious designation, all employees are required to support the Christian ethos of the school in their professional life, in the tradition of the Church of England, and recruitment policies reflect that requirement as the law allows.

EQUALITIES STATEMENT IN THE CONTEXT OF THE TRUST'S CHRISTIAN ETHOS AND FOUNDATION

The entitlement to develop, learn and work in an environment free from discrimination is implicit in the Trust's Christian ethos, the core of which is the ultimate worth and dignity of every human being before God. The promotion of an understanding of human diversity in the community as positive and to be celebrated is central to the Trust's mission. No member of the Trust community shall suffer unfair direct or indirect discrimination on the basis of sex, gender reassignment, marriage or civil partnership, disability, age, race, pregnancy and maternity, sexual orientation, religion or belief. Allegations of victimisation or harassment associated with discrimination shall be investigated and pursued in line with the Trust's grievance and discipline policies.

The Trust recognises that in some cases it may be necessary to put in place more favourable treatment for some individuals or groups in the interests of securing sustainable equality or access and opportunity.

The assurance of equality of opportunity and freedom from discrimination must permeate all aspects of school life, including in particular:

- Teaching, learning and assessment
- Behaviour and sanctions
- Student rewards
- Advice and guidance
- Personal development and pastoral care
- Extra-curricular opportunities and participation
- Admissions and attendance
- The curriculum and options
- Staff recruitment, promotion and professional development
- Partnerships with parents and communities

AIMS

We are committed to:

- actively tackling discrimination and promoting equal opportunities and positive attitudes
- encouraging, supporting, and helping all students and staff to reach their potential
- working with parents and carers, and with the wider community, to tackle discrimination, and to follow and promote good practice
- making sure the equality scheme is implemented and monitoring its effectiveness in promoting race, gender and disability equality.

- ensuring that employment practices, promotions and staff development are fair and actively non-discriminatory

IMPLEMENTATION

All of the Trusts policies and procedures should reflect the principles outlined in this single equality scheme. The Trust will operate the scheme in respect of all staff appointments and promotions and will monitor gender and ethnicity balance. Subject teaching and pastoral programmes of study should take into account the objectives and guidelines within this scheme. Information will be collected about students' performance and progress in all areas of activity, including racial groupings, to analyse trends that could have an adverse impact on students' attainment. All contraventions of this scheme will be treated as disciplinary matters.

PUTTING THE EQUALITIES SCHEME INTO PRACTICE

This scheme will be published as part of each school's policy documentation, and will be made available to any staff, students, parents or others who request it. Any breaches of this scheme will be treated with gravity and dealt with via normal disciplinary procedures.

School accessibility plans are in place and regularly updated to ensure that progress is being made towards making opportunities increasingly available to students with physical, emotional or cognitive disabilities.

EVALUATION

Headteachers will be required to draw up equality objectives every four years and annually publish information demonstrating how they are meeting the aims of the general public sector equality duty.

Effectiveness of the scheme will be reviewed by the Trust board, including review of progress against equality objectives, and its impact upon the raising of all students' levels of attainment.

The revision of the scheme will be ongoing, ensuring the involvement and commitment of the whole Trust community. The statement will be reviewed annually.
